

BIRDING FOR BEGINNERS

Nature Walk

April 30, 2022

10:00 am

Lone Pine Marsh

Braham Nature

Reserve

237 Maple Grove Road ,
Colborne

Come on out and join us for a guided walk at the Lone Pine Marsh - Braham Nature Reserve that is tailored just for new birders.

This beautiful Nature Reserve has a large marsh, a forest, and open fields - all great habitats for our feathered friends. We'll learn to listen for bird songs, look for identifying features, and observe bird behaviour. All ages welcome.
